

Application::run

```
graph LR; A[Application::run] --> B[Application::shutdown]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The left box is dark gray and contains the text 'Application::run'. The right box is white with a dark gray border and contains the text 'Application::shutdown'. A blue arrow points from the right side of the first box to the left side of the second box.

Application::shutdown
